NEIGHBOURHOOD WATCH SCHEME

As the new co-ordinator for Walton Street and Moor Lane, could I please ask you to forward your telephone numbers and email address if you wish to be involved in the scheme? Some additional advantages to our village scheme would be flood warnings and traffic issues. You will have no need to pass on any details as in previous years, as I will be contacting most of you by email or phone. If I don't hear from you by the end of January, I will assume you do not want to be included.

The People's Passion

We are planning a Passion Play to be performed on Thursday 2nd April in our church. We are not aiming for something like Oberammergau! This is going to be a People's Passion – Easter week as witnessed by the ordinary people living out their lives at the time of Jesus.

There can be a part for you to play if you would like to join in. it can be big or small, you don't even have to act, just read your part if that is what you feel comfortable doing. There doesn't need to be masses of rehearsals either, as each 'act' will stand on it's own and the whole thing will only come together right at the end. Interested? Give me a ring on 848645 or e-mail at roybetts7@btinternet.com

We have just heard the sad news of the death of Gladys Cooling; she will be greatly missed. That seems a completely inadequate thing to say when she was so much part of our village life over so many years. Rest in peace "Auntie Gladys".
