GARDEN WEDDING

There will be a wedding held in the garden of 1 Brighton Cottages **on July 4th from 2pm**. We apologise to neighbours and villagers, in advance, for the unavoidable (but merry!) noise which will float from our garden. Carriages are at midnight. Judy and Gadi Davidowitz.

VILLAGE FETE 40's STYLE SATURDAY 11th JULY 1pm

Here we go! 41 days and counting, a massive thank you to everyone who has volunteered to help - we really could not do it without you! This year we have our social committee box office at the St. Paul's coffee morning on the **6th June and 4th July**. You can buy your swing tickets and raffle tickets and view the beautiful patchwork quilt made by Claire Whetter and Jenny Brown (2 talented villagers) which will be raffled at the fete.

This year the Social Committee would like to extend a warm welcome to the new parishioners that have come to Walton. The fete is a great opportunity to see this community in action. All the money raised is split between the village hall and parish church. We would love to see you there.

And finally this year we have resurrected the fancy dress competition for ADULTS - BEST DRESSED 40's STYLE. The judge is Mr Andrew Francis owner of Taggart House, Bed and Breakfast (situated at the top of the village). **Entries on the day.**

It's never too late to get involved with the fete, just contact me; Emma, 2 Sandstone Cottages, 217560 or crosstreestores@talktalk.net.

SOCIAL CLUB ****Final Reminder****

Coffee Morning: The social committee will be having another coffee morning on **Saturday 30th May** in the village hall from 10.30 to 12.00. Tea, coffee & cakes will be available & we hope you will be able to come and join us for this social event. **Brenda Matthews**

WI NEWS

Our June meeting is on **Thursday 18th at 2-30** in the village hall. We have Sandra Derrick talking to us about The Matthew, a ship I am sure we have all seen moored in Bristol. The competition will be for a small model ship. Do not forget the coffee morning at Mary Bessant's home on **Saturday 6th June** at 10-30, including a bring and buy and raffle to raise money for our funds. Please let Jacqui know if you are going to her home on **Thursday 4th June** to watch the 100th AGM being streamed live from the Albert Hall - to include a "bring and share". More details from **Rosemary Tucker 878671**

GARDENING CLUB

The discussion this month was about the brilliance of yellow flowers and foliage, following on from the daffodils. For instance a yellow leaved forsythia looked nearly as bright as when it was in flower. Arum lilies have joined the ranks of winter survivors – already in full flower! The survival of epimedium (loves to grow next to a north facing wall), flowering in May, breaks most of the established planting rules. Maureen brought several sheets of gardening advice from 1950's women's magazines. They indicated a very keen interest in cyclamen! She also mentioned, with some pleasure, that when they moved in some years ago, a neighbour told them the land round their house would never produce any flowers! Our next meeting is at the Manor House on Wednesday **July 1st** at 2.30
