- 4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually for the following financial year and the final version shall be included in the budget proposals that receive approval at the January meeting of the Council each year.
- 4.3. No later than December each year, the RFO shall prepare a draft budget with detailed estimates of all income and expenditure for the following financial year, taking account of the lifespan of assets and cost implications of repair or replacement.
- 4.4. Capital projects tend to be reliant on North Somerset Council input. They take a long and tortuous route from inception to completion. The Council budgets for them via its current budget and/or via its Capital Provision. The Capital Provision is primarily accumulated for Highway and Parish Maintenance projects that would in the past have been funded by North Somerset Council. As a project emerges to the point of being budgeted for, the Council will ring-fence a budget within the Capital Provision and adjust it nearer completion between current budget and Capital Provision funding as is deemed appropriate.

- 4.5. The Council shall review its draft budget and submit any proposed amendments to its December meeting.
- 4.6. The draft budget forecast, including any recommendations for the use or accumulation of reserves, shall be considered by the council.
- 4.7. Having considered the proposed budget and forecast, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.
- 4.8. Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**
- 4.9. The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.
- 4.10. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.
- 4.11. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

## 5. Procurement

- 5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.3. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.
- 5.4. For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and The Procurement Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:**
- 5.5. There are no circumstances in which the council is likely to issue contracts estimated to exceed £30,000 including VAT, as at 5.7 below.

- 5.8. where the value is between £500 and £3,000 excluding VAT, the Clerk/RFO shall try to obtain 3 estimates, which might include evidence of online prices, or recent prices from regular suppliers.
- 5.9. For smaller purchases, the clerk shall seek to achieve value for money.
- 5.10. Contracts must not be split to avoid compliance with these rules.**
- 5.11. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:
  - i. specialist services, such as legal professionals acting in disputes;
  - ii. repairs to, or parts for, existing machinery or equipment;
  - iii. works, goods or services that constitute an extension of an existing contract;
  - iv. goods or services that are only available from one supplier - for example North Somerset Council - or are sold at a fixed price.

- 5.13. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council. Avoidance of competition is not a valid reason.
- 5.14. The council shall not be obliged to accept the lowest or any tender, quote or estimate.
- 5.15. Individual purchases within an agreed budget for that type of expenditure may be authorised by:

In cases of serious risk to the delivery of council services or to public safety in relation to council assets, the clerk may authorise expenditure of up to £500 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.
- 5.19. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.
- 5.20. An official order or letter shall be issued for all work, goods and services above £250 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.
- 5.21. Any ordering system can be misused and access to them shall be controlled by the RFO.
